

The situation surrounding COVID-19 is evolving quickly in the United States. We have made the plans and necessary adjustments to support our service while protecting our employees.

We have the capabilities of working virtually. What this means to our customer is that we can still provide most of our services with out you coming into our office.

We are able to receive your calls, text and emails.

Our agents are able to offer a new quote along with writing new policies.

We can still make **payments, claims, changes and cancellations.**

The companies we represent have toll free phone numbers for claims and payments which can be found on our website or your insurance companies' website.

A majority of companies are now offering apps for your cell phone such as, AAA Allstate, Dairyland, Kemper, Mutual of Wausau, and Progressive.

We are monitoring the recommendations of the Center for Disease Control and will plan accordingly as new information becomes available.

We appreciate your patience and understanding as we all take steps to ensure the safety of customer, our communities and ourselves.

Office hours and closures will be posted.

If you have any further questions please feel free to e-mail, call us at (715) 276-9498 or text us at (715) 850-9013

Stay safe and healthy.

Thank you,
Cheryl Bartels
